

KWINANA AND ROCKINGHAM COMMUNITY GRANTS PROGRAM

INFORMATION FOR APPLICANTS

The Kwinana and Rockingham Community Grants Program assists with funding projects, events and initiatives that benefit the local environment or promote Science, Technology, Engineering and Math (STEM) Education.

CSBP and Kleenheat are offering \$2,000 grants to not-for-profit organisations who work to benefit the communities closest to their operations in Kwinana, Western Australia. Organisations within the Kwinana industrial complex (area bordered by Kwinana Freeway to coast from Woodman Point to Port Kennedy) are invited to apply.

Each year, applications open for the month of July.

ABOUT CSBP AND KLEENHEAT

CSBP and Kleenheat are part of Wesfarmers Chemicals, Energy & Fertilisers' (WesCEF) portfolio of leading, sustainable businesses that operate in domestic, national and international markets.

Each of WesCEF's ten businesses is recognised as safe, reliable and innovative organisations that are leaders in their respective industries with a strong commitment to their customers.

WesCEF is part of Wesfarmers Limited, a diversified conglomerate listed on the ASX and one of the nation's largest employers with more than 100,000 employees.

CSBP is recognised as Western Australia's leading manufacturer and supplier of chemicals, fertilisers and related services to mining, agricultural and industrial sectors within Australia and throughout the world.

Many of our products are essential to a variety of Australian industries including broadacre agriculture, iron ore and coal mining, nickel and gold extraction and construction. We also export industrial chemical products to international markets.

CSBP's major production facilities have been located in Kwinana, Western Australia for over fifty years.

Kleenheat's rich history in the Australian gas industry includes 60 years' experience retailing and distributing liquefied petroleum gas (LPG), over a decade distributing liquefied natural gas (LNG), and most recently retailing natural gas in Western Australia.

Kleenheat retail natural gas to WA customers between Geraldton and Busselton, and also supplies LPG to a broad range of residential, commercial, forklift and industrial customers.

Kleenheats distribution depot and production facilities have been located in Kwinana, Western Australia for over thirty years.

PROCESS

PRIORITY AREAS

The WesCEF Community Grants Program supports activities that are aligned with our priority areas:

Education and training

- Encouraging participation in STEM subjects
- Enhancing numeracy and literacy outcomes
- Removing barriers to education
- Creating a pipeline for employment

Environmental sustainability

- Supporting conservation
- Improving local biodiversity
- Strengthening environmental awareness and stewardship

ELIGIBILITY

To be eligible for funding an organisation must:

- be a not-for-profit community group in the Rockingham and Kwinana industrial complex
- be an incorporated organisation or affiliated to an incorporated organisation which is willing to host your donation on your behalf.
- use the funding towards an initiative that falls within the priority areas.
- demonstrate capacity to manage the initiative and funds.

WesCEF will not provide funding for:

- illegal or unethical events or activities under local laws and practices.
- grant-making or funding bodies e.g. Lotterywest.
- organisations that discriminate based on ethnicity, age, gender, sexuality, impairment or beliefs.
- individuals or teams.
- political organisation or campaigns.
- religious events or activities.
- gambling, tobacco, alcohol or drug-related promotion.
